Re: Case #1207

Dear Dr. Clements:

As you are aware the Board of Osteopathic Examiners voted, at its meeting of January 11, 1991, to amend your consent to entry of order to include a prohibition against alcohol consumption. Enclosed please find two copies of the revised page 8 of said order, with the change as noted in condition no. 5. Please initial both copies, retaining one for your records, and return one copy to the Board office.

Should you have any questions, please contact me.

Sincerely,

MEMORANDUM

TO: Dr. Robert Miller
Board of Osteopathic Examiners

FROM: Peter D. Kushibab ^{PK}
Assistant Attorney General

DATE: February 27, 1991

RE: Mark Clements, D.O.

As we discussed in our telephone conversation this morning, enclosed is a revised version of page 8 of the Consent Agreement in the above referenced matter. This reflects a change ordered by the Board to the existing agreement with Dr. Clements. As we discussed, you should send Dr. Clements two copies of this revised page 8, remind him that the Board did order this added provision, that he agreed to it at the Board meeting, and ask that he initial a copy and send it to you. This should constitute sufficient evidence that he has accepted the order as amended by the Board.
